Applewood stuck first with a goal in each frame, twice with the man advantage, before the Hawks came to life. Then it was Brandon Richard potting one for the good guys with assistance from Nolan Pearce. Applewood answered back to be quickly rebutted by Tyler Symonds with help from J. T. Gore. With the time expired the Hawks bowed to a 4-2 defeat. Player of the game was Tyler Symonds.

Game 2 was Saturday morning versus the Downsview Beavers. The Beavers notched a goal midway through the first on the power play. A minute later J.T. Gore evened the affair unassisted. In the second Gore counted the only marker with a nice feed from Ryan Rausch. Brandon Richard got things going again in the third with an unassisted goal.

The Beavers then notched 2 on the power play to tie things up. With 5:29 remaining Ryan Rausch slammed one home assisted by Giancarlo Cianflocca and J.T. Gore. Downsview squared it again with 2:25 remaining and the Hawks killing yet another penalty. The game was settled at the 1:11 mark when Cianflocca struck paydirt off the set up from J.T. Gore and David Rothfuchs. Marco Chiechi made several solid stops between the pipes in the 5-4 victory. J.T. Gore was player of the game.

Saturday afternoon was another wild penalty marred game this time versus Clarkson. The Clarkson

squad started quickly getting a goal one minute in. Mid-way through the first Brandon Richard fired a rocket, putting Caledon on the board. Then it was Clarkson again counting a goal late in the second with the answer from Richard eight seconds later. The battle went end to end until with 25 seconds left Chris Scrivo drilled home what looked to be the winner only to see a remarkable major penalty assessed to the Hawks and the goal called back.

Down a man and needing the win the Hawks gamely pulled their goalie and the game MVP Brandon Richard some how muscled in his hat trick goal with 13 seconds to go gaining the 3-2 win. Nathan Cole played a strong game in the Hawks net.

Game 4 was Sunday morning against the Markham Islanders. Markham counted first in the opening frame with Caledon's Giancarlo Cianflocca scoring 3 minutes later assisted by Chris Scrivo. The second saw Markham notch another early goal and they held on the rest of the way despite strong play from the Hawks. Marco Chiechi made a number of sensational saves and earned the MVP award for the Hawks.

The lads finished the tournament 2 and 2 much the wiser for seeing the new rules in action. Go Hawks go!

Exclusively Ours Ride the Explorer Train

Many will know by now that the Hills of Headwaters has a new tourism attraction that is taking Ontario by storm: the Credit Valley Explorer Tour Train.

This is good news for our local tourism industry. Unlike other Ontario tourism destinations, such as Niagara Falls, Blue Mountain, or Wasaga Beach who have large attractions that draw huge numbers of visitors, the Hills of Headwaters depends on the collaborative efforts of many small attractions, such as golf courses, resorts and inns, studio tours, conservation areas, small towns and villages and now the Credit Valley Explorer Tour Train, to inspire visitors to make the drive to this most lovely region of Ontario.

And draw visitors to the region is exactly what the Credit Valley Explorer is doing. The Hills of Headwaters Tourism Association, as the train's official phone reservation provider, can be deluged by phone calls as a result of a single ad or news story for the Credit Valley Explorer in an out-of-town newspaper. Many callers are unfamiliar with the Headwaters region, and the Credit Valley Explorer gives them a reason to come for a visit, expanding the awareness of the Hills of Headwaters as a tourism destination for the benefit of all.

To capitalize on the popularity of the Credit Valley Explorer, the Hills of Headwaters Tourism Association is hosting the Oct. 21 Murder Mystery Dinner Tour aboard the Tour Train as a fund-raising event in support of the activities of the Tourism Association. Participants will enjoy a four-hour dinner tour through the Hills of Caledon, a three-course dinner, cash bar, and a lethal dose of suspense and intrigue. Where will the murder take place? Will the train be stopped while crossing the harrowing trestle at the Forks of the Credit in order to remove a body from the track? And who dunnit? Guests will be participants in the unravelling of the Murder on the Headwaters Express from the moment they board the train until the intriguing conclusion.

If you haven't had a chance to ride the Credit Valley Explorer yet yourself, the Murder on the Headwaters Express is a great way to experience the region's hottest new tourism attraction, enjoy a great night out with friends, and support your local tourism association.

Tickets are \$99/person. Reservation can be made by contacting the Hills of Headwaters Tourism Association at 1-800-332-9744 or online at www.creditvalleyexplorer.com.
