709 IN MEMORIAM

GALBRAITH, Lillian
In loving memory of a dear wife, mother and grandmother who passed away December 11, 2003
Our lives go on without you
But nothing is the same
We have to hide our heartache
When someone speaks your name.
Sad are the hearts that loved you
Silent the tears that fall
Living our lives without you
Is the hardest part of all.
You did so many things for us
Your heart was kind and true
And when we needed someone
We could always count on you.
The special years will not return
When we were all together
But with the love within our hearts
You will walk with us forever.
Always remembered
and sadly missed by
Wilfred, Linda, Bruce, Floyd,
Colleen, Brenda, Gary,
Brent and Families.

LARGE, Jean Elizabeth
In loving memory of my dear wife, mother and grandmother, who passed away December 11, 1989.
Do not stand at my grave and weep;
I am not there, I do not sleep,
I am a thousand winds that blow
I am the diamond glints on snow
I am the sunlight on ripened grain
I am the gentle autumn's rain
When you awaken in the morning's hush,
I am the swift uplifting rush,
Of quiet birds in circled flight
I am the soft stars that shine at night
Do not stand at my grave and cry;
I am not there, I did not die.
Sadly missed and lovingly remembered by
Vic, Jim, Brenda & family,
Bob, Joan & Family,
Kathy & Family and Linda

MATTHEWS, Mary
In memory of a beloved Wife, Mother and Grandmother.
December 7, 2005

And make no fuss.
No-one misses her more than us.
And when old times we oft' recall
That's when we miss her most of all.

PLEASE HELP IN my search for a particular Bolton area man. He is formerly from Alberta and may have ties to BC as well. He is a cowboy who loves the rodeo, the outdoors, biking, horse-back riding, and country music. He lives in the Bolton area on farmland with a few horses, a vegetable garden, and a home with hardwood floors and a fireplace. He was formerly married and is now either divorced or widowed with a son who is approximately 10-13 years old. He is an honest man, who is tall, dark haired, and has an olive or tanned complexion. He is physically fit, works outdoors often, probably drives a black 4x4 and is very good at building things. Caledon skier attends ski camp

Eight athletes from the Westwind Partners K2 Prospect Camp moved over to the Alpine Canada K2 Devonian Camp, after posting the fastest times at the Westwind Partners camp time trials. The time trials consisted of three runs of GS and three runs of Slalom with the best run of each discipline determining who would join Canada's fastest K2 racers in the Devonian Camp.

According to Doug Findlay, AOA technical director, all the athletes performed very well with the selections being very close.

The eight fastest athletes include Brodie Ritchie of Caledon East (Devil's Glen).

The Westwind Partners K2 Prospect camp got off to a spectacular start in Lake Louise where the group watched the Men's World Cup Super G. The group of 25 was in the finish line cheering wildly after John Kucera posted the fastest time and all subsequent racers were unable to beat him. Following the race, the kids met many World Cup racers, obtained autographs and photos with stars from all nations. The day could only be described as inspirational.

Moving over to Panorama, B.C. training commenced amidst frigid temperatures and clear skies. The level of intensity was high as the racers pushed themselves and each other to their limits.
