

2007 Community Survey

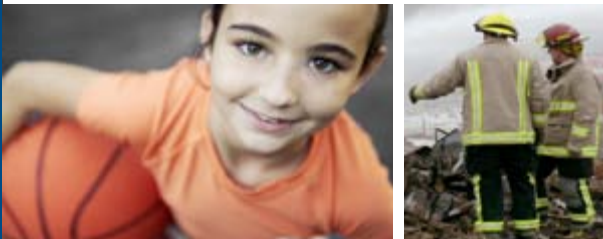

Town of Caledon Council and staff encourage and value the input of the community.

In mid-September 2007, the Town of Caledon asked Ipsos Reid to survey Caledon residents about their satisfaction with Town services, quality of life, and top of mind issues.

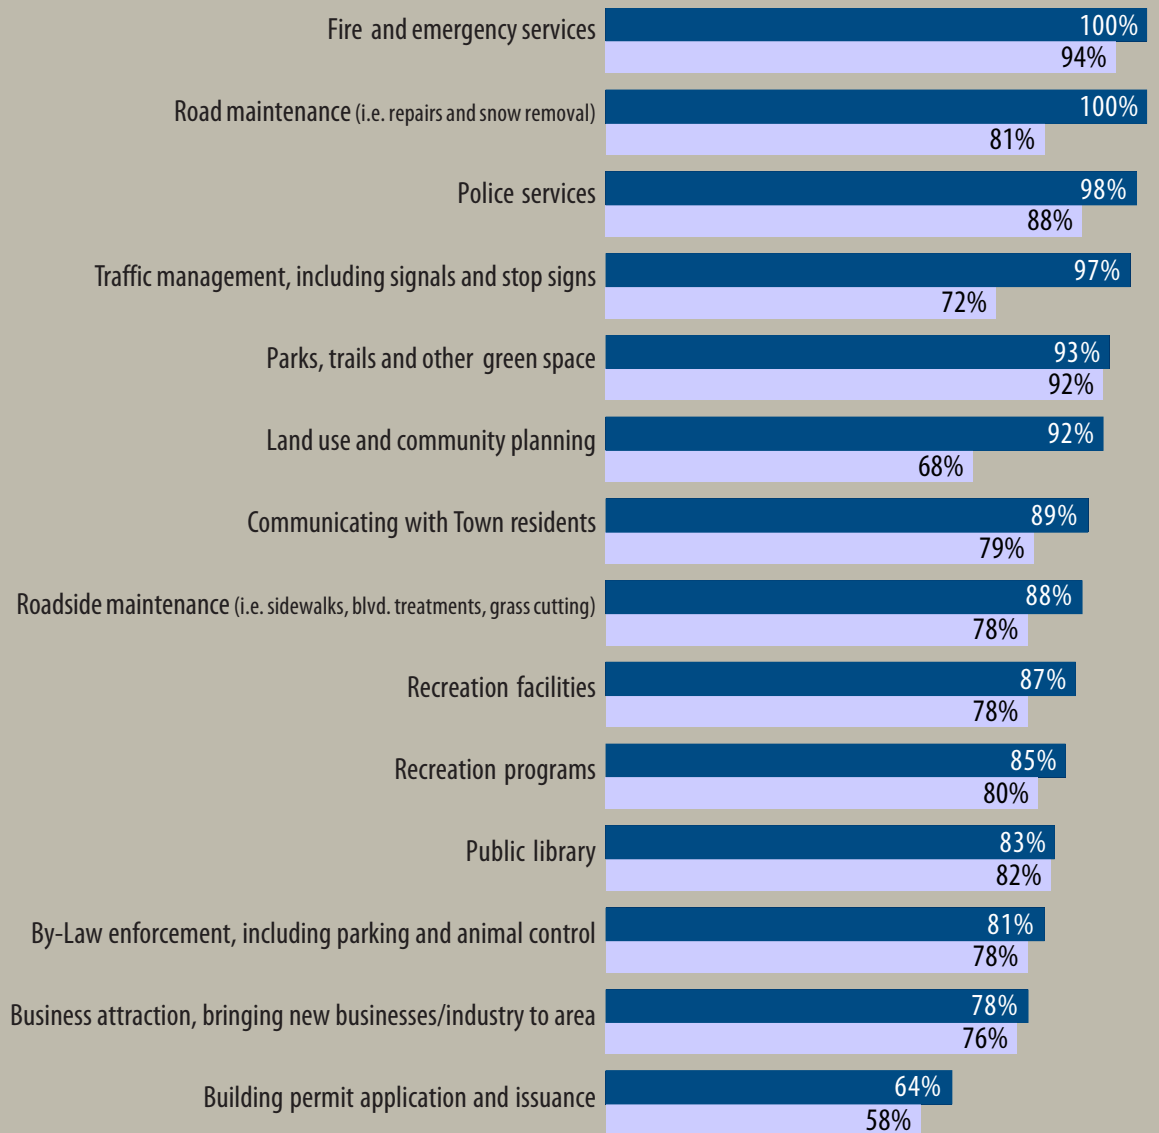

Thank you for participating in our survey. Understanding your views and concerns will help us determine service requirements and deliver continuous improvement to our community.

We are pleased to highlight some of the key survey results. For complete survey details, please visit www.caledon.ca

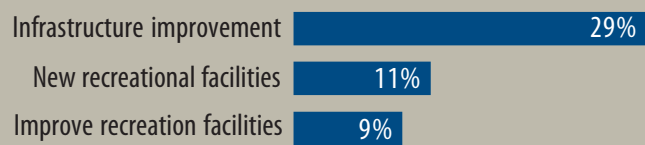

Our Services Meet Your Expectations

■ Importance to residents ■ Satisfaction rating of Town's performance

Capital Projects | Your Top 3 Spending Preferences
