709 IN MEMORIAM

PULLEN In loving memory of our Paul who was taken away on July 3, 1993. *We think about you every day Our love for you will never go away. Not a day goes by we don't speak your name And look at your picture in a frame. Nothing can ever be the same again Without your presence in our family chain. It hasn't gotten easier after all these years, So many heartaches, so many tears. 'Cause there is always something we want to share with you And not having you with us just makes us so blue. So much of you is still everywhere we go There is no wonder that we miss you so. We try so very hard not to weep Many tears are shed while others are asleep. You left us with memories we're so proud to own And a love that many will never have known. You are still the strength in our family tree And the love in our hearts will always be. You'll always be with us and watch us from above Holding our "baby angel" with all of our love. Your hugs and kisses still get us through 'Cause your memories hold us, like you used to do. Forever loved Lana, Bobbie-Jo & Dave, Brandon and Bradley.*
